

Forgotten Username or Password for MyComet

Go to the MyComet Login page at

<https://mycomet-oceania.analyticom.de>

and click on “Forgotten Password”

(shown by the red arrow)

Enter your Username or your email address and click “Submit” to get a reset Password

You should see a message in the green box saying an email should arrive in your Inbox with instructions on how to complete the reset.

 NZF Comet & MyComet Support

If you can not remember what email you used to set up the account, or are still having trouble, please go to the link below and submit a ticket for Registration Help

In the Description box, be sure to include Players of Full Name, Date Of Birth, Last Club registered to, and the email you think was used to help them locate the correct information
